Offense charged: Theft of Government Property

Date of Detention Hearing: November 18, 2013.

The Court, having conducted a detention hearing pursuant to 18 U.S.C. § 3142(f), and based upon the factual findings and statement of reasons for detention hereafter set forth, finds that no condition or combination of conditions which defendant can meet will reasonably assure the appearance of defendant as required and the safety of other persons and the community.

FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

1. Defendant is charged by Complaint with theft of components used to

01 manufacture and operate Stryker vehicles, made under contract with and in the possession of a
02 federal contractor and stored on a federally leased facility. The items alleged to have been
03 taken include cable assemblies, power pack interfaces, thermal imaging modules and other
04 components valued at approximately \$782,988.59. Defendant allegedly received \$35.17 from a
05 recycler for the items. Some of the components were of a sensitive security nature.

06 2. Defendant does not have a stable residence address and is unemployed. He has
07 charges pending in Pierce County Superior Court for taking a vehicle without permission,
08 possession of methamphetamine, possession of a stolen vehicle, possession of stolen property
09 and delivery of a controlled substance.

10 3. Defendant's substance abuse history includes current methamphetamine use.

11 4. Defendant poses a risk of nonappearance due to lack of stable residence, lack of
12 employment, current use of illegal drugs and possible mental health issues. Defendant poses a
13 risk of danger due to pending criminal charges in state court and criminal history, as well as
14 substance abuse.

15 5. There does not appear to be any condition or combination of conditions that will
16 reasonably assure the defendant's appearance at future Court hearings while addressing the
17 danger to other persons or the community.

18 It is therefore ORDERED:

19 1. Defendant shall be detained pending trial and committed to the custody of the Attorney
20 General for confinement in a correction facility separate, to the extent practicable, from
21 persons awaiting or serving sentences or being held in custody pending appeal;

22 2. Defendant shall be afforded reasonable opportunity for private consultation with

01 counsel;

- 02 3. On order of the United States or on request of an attorney for the Government, the
03 person in charge of the corrections facility in which defendant is confined shall deliver
04 the defendant to a United States Marshal for the purpose of an appearance in connection
05 with a court proceeding; and
- 06 4. The Clerk shall direct copies of this Order to counsel for the United States, to counsel
07 for the defendant, to the United States Marshal, and to the United State Pretrial Services
08 Officer.

09 DATED this 18th day of November, 2013.
